

TOUGH BLOKE CHALLENGE

ARE YOU TOUGH ENOUGH?

From the stables of Maximum Adventure comes an off road running event that combines the challenges of cross country running, man made and natural obstacles, water crossings, mud and some unexpected surprises. Clear the obstacles and get around the course in as short a time as possible to be in the running for the coveted Tough Challenge Trophy!

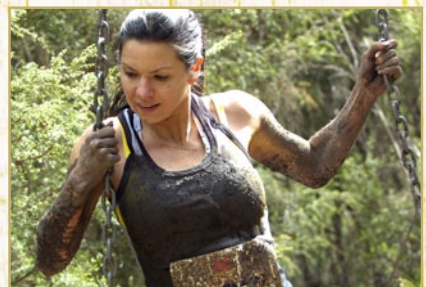

Contrary to the name, the event is also open to females in the "Tough Chick" category plus age categories starting from 12 years of age.
