

Evolution Paddington 2011

We got a swanky new sign...

We watched the sun rise ...

Val kept the frog warm!

We had our own little amazing race!

We turned 2 & Celebrated!

We boxed...

We posed...

We challenged ourselves...

Our lives changed...

Some got hitched...

Others ditched the sun & headed to Melbourne

We ate....

We detoxed...

We over indulged...

And then it was time for our final session!

Thanks for an awesome 2011!!!
